

ENVISION II

16" Touchscreen Console

A fully-connected fitness experience with connectivity, built-in programs, and mirroring on HD 16" touchscreen. Exercisers can easily track their data, discover workout selections, and enjoy integrated technology and entertainment. With these options, gym members will enjoy both exercising and your facility even more.

FEATURES

+ CONNECTS TO APPLE WATCH

This console has the option to feature Apple GymKit technology so users can connect their Apple Watch and keep all their metrics in sync.

+ MIRRORING

Option to allow users to mirror content from their personal devices directly onto the console for a premium level of personal entertainment and viewing (Apple® and Android compatible.)

+ BUILT-IN WORKOUT PROGRAMS

Exercisers can choose from a variety of programs to meet their fitness and training goals. Quick access buttons allow users to easily change speed and incline, allowing quick and easy interval changes for HIIT workouts.

+ ENTERTAINMENT

Users have easy access to web content, social media, and entertainment destinations.

+ BLUETOOTH COMPATIBLE

Syncs with Bluetooth® headphones and heart rate monitors. Polar® device compatible.

+ APP CONNECTIVITY

Compatible with Apple® and Android™ devices. Workout data can be pushed to exercisers' favorite fitness apps via GymTrackr.

+ EXPLORE THE WORLD

Outside Interactive® courses allow exercisers to travel the world to famous locations and race courses. In addition, connecting to the Zwift® app allows exercisers to combine social running with videos of running routes.

+ WIRELESS CHARGING

Provide your users the ability to wirelessly charge their phone or tablet directly from the console.

+ ASSET TRACKING

Real-time asset management with usage reporting and notifications through ECOFIT®

+ CUSTOMIZATION

Customize the homescreen to promote your brand and deliver messages to exercisers, promote events and classes and build your facility brand.
