

4' PERSONAL MONKEY BAR RIG

Designed for your facility's strength floor, our 4' Personal Monkey Bar Rig creates a variety of training opportunities. Members can enjoy individual training with monkey bars, dip station, squat rack, suspension trainer and landmine. Add Olympic bars and plates to attract your hardcore members. Convenient plate storage pegs keep the unit safe and clutter-free. Supports 4-5 people simultaneously.

**Suspension trainers are optional as shown, and not included in price.*
