

xR6c

Experience xR6c with the classic console and its simple design providing you with all your workout data. The xRide xR6c delivers all the cardiovascular, low-impact, total-body benefits of traditional elliptical exercise - all while comfortably sitting down.

OCTANE ADVANTAGES

- Total body workout
- Active Seat Position - provides leverage for high resistance intervals
- Elliptical motion - forward & reverse
- Strength training benefits
- MultiGrip handlebars
- Advance workout programs

CONSOLE OPTION

xR6c

- Simple design
- Large LED display
- 5 workout programs

CUSTOMIZED COMFORT

The Active Seat Position custom-fits exercisers with multiple height and tilt adjustments that open the torso and maximize use of the hip muscles.

LOWER-BODY MOTION

Thanks to unique PowerStroke pedal motion on the xRide, you benefit from full leg extension and maximum range of motion, which can activate more muscles and burn more calories than a recumbent bike.
