FUSE-1700 ROTARY TORSO

Modern and comprehensive strength conditioning series designed to meet the space and performance demands of today's fitness facilities. The user-friendly features and performance will appeal to a wide variety of users.

FEATURES

- Angled hip and thigh pads eliminate low body torque and encourage spinal alignment for proper isolation of the torso
- Easy access 11-position adjustment handle allows users to choose the range of motion best suited to their individual needs while in the seated position
- Comfortable roller pads and angled grip handles for proper ergonomics and support

USER AMENITIES

- Step-by-step exercise chart with easy to follow user instructions
- Accessory Tray with Cup Holder
- Integrated Towel Holder
