LAT PULLDOWN
PLS-0300

The Palladium Series Plate Loaded PLS-0300 Lat Pulldown is designed for users of all levels, from beginners to professionals, offering advanced biomechanics for optimal performance. Its unilateral arms diverge through a full range of motion, maximizing muscle engagement for a more effective workout. Built-in weight storage includes four standard posts for added convenience.

FEATURES

- Unilateral arms diverge to maximize articulation of the shoulder and allow for a complete range of motion
- 4-position thigh pad fits wide range of users
- 6-position seat uses gas cylinder assist for stable, friction-free adjustments

USER AMENITIES

- (4) Weight Storage Posts
- Height Adjustment Guide
- Instruction Placard illustrates proper START and END positions
