VAPOR XT-ONE

TRUE®

The cross trainer that does it all. The XT-One is an all-in-one machine that lets exercisers walk, run, hike, or climb to target different muscles for customized effectiveness. Created with premium materials and innovative design, this elliptical will stand up to every workout while fueling performance and delivering results. The Vapor XT-One gives exercisers the ability to challenge themselves with intense workouts, yet still feel good both during and after their routines.

Converging Path handlebars follow the natural path of the arms
